With signing and submitting this document the signee declares that all information on the form is correct and submitted under full power of attorney of the applicant. If the applicant is not the actual producer/manufacture of the product declares by signing this form that he has taken all necessary steps to ensure that the owner of the trademark has no objections against publication on armaturenregister.nl.

This form must be fully completed and sent to armaturenregister.nl together with the documents as stipulated on the website and in short below.

- This form signed and completed
- Test report and certificates if applicable (depends on the registration level to be reached)
- Minimal 1 and maximum 3 pictures of the product in JPG format 600 x 600 pixels maximum.

Please condense all documents in one zip file per form. Submit this zip file through wetransfer. Submit the file to:

info@litecert.com

Please note to successfully finish this procedure you have to be registered as a manufacturer. If not registered please complete the form on the website as well.
